

APPLICATION FORM FOR ADDITIONAL GRANT AND LETTER OF AUTHORIZATION

An additional grant can be applied for by a grantee who has been awarded a full B2 grant for 12 months. An additional grant must be applied for as soon as the B2 grant period starts, so that the insurance is valid for the full grant period. (An additional grant cannot be awarded if the B2 grant is less than 27 000 € or the grant period is less than 12 months.)

Name _____

SHORT DESCRIPTION OF THE INSURANCE COVER

Protector

The insurance covers medical costs up to EUR 8 000 per sickness or injury. The insurance covers both treatment given by a general physician and a specialist including medical tests.

Only costs for treatment in Finland is reimbursed.

The insurance covers following items:

- general physician, and specialist treatment
- you have the right to receive treatment everywhere in Finland
- physiotherapy prescribed by physician (10 pcs) and needed in treatment of accidental injury

The insured person's deductible is €50 per medical consultation.

As a general rule, the insured person does not need to pay for treatment in advance at the healthcare facility.

Protector has direct billing agreements in place with all major providers.
